

JOSIE & KOSTA

NZDC INNATE SERIES

The first Innate series kicked off with Josie Archer and Kosta Bogoevski. A celebration of the 'making' and 'creating' as a product itself. Dancers occupied the shop front of Monster Valley on Karangahape Road with owner Karl Sheridan and dog Max. Open to the public to come in and take a look, have a chat, stay a little or stay a little longer.

Here for 3 weeks only, we've sourced for you the best organic dancers for your viewing pleasure...

All are welcome MON - FRI, 10 - 5pm.
Feel free to browse our scores and try some on.

Feeling lost? Perhaps an authentic movement class to RE-CENTRE, RE-CALIBRATE & RE-CHARGE.
